Attack & Defence

VPN is required in order to connect into Attack & Defence environment.
Please install OpenVPN.

The duration is 6 hours and each tick is 5 minutes.

Tick?

- One tick is one round in attack & defence.
- Flag changes every tick and older flags will be invalid to submit

Attack & Defence

Tick?

- One tick is one round in attack & defence.
- Flag changes every tick and older flags will be invalid to submit.
- Rule: The validity of flags is 5 ticks. The latest 5 ticks of flag will be valid and the rest will not be.

Attack & Defence

Example:
Tick 1: BOH25_sdyhfksadfshdfsdf (INVALID)
Tick 2: BOH25_sadlfujdsalkjfbndsf (VALID)
Tick 3: BOH25_cmxkmopqweirun (VALID)
Tick 4: BOH25_weoruihewnmcxn (VALID)
Tick 5: BOH25_asdlfuihlweifnfnm (VALID)
Tick 6: BOH25_kwsqeugfkwejbdnf (VALID)

Attack & Defence

Team 1 Machine

Machine is used to:

- Gain access to challenges
- Submit flags
- Patch challenges
- Attack other teams

Attack & Defence

Team 1 Machine

White box challenges can be patched before being pwned

Black box challenges cannot be patched until it is pwned

Attack & Defence

Team 1 Machine

White box challenges are in:
- /home/player/challenge1/
- /home/player/challenge2/

Black box challenges are in:
- /home/challenge1/
- /home/challenge2/

Flags are in:
- /home/user/flag.txt

Attack & Defence

Team 1 Machine

Example challenge directory:

- app.py (Patchable)
- Dockerfile (Unpatchable)
- docker-compose.yml (Unpatchable)

restart_docker.sh cooldown of 10 minutes

Attack & Defence

Team 1 Machine

- When patching, please keep in mind that you have to keep your challenges up and running.
- Bringing your challenge down will cause your team to be penalized.
- The goal of patching is to defend yourself (Defence Points) and also keeping your services alive (SLA Points)

Attack & Defence

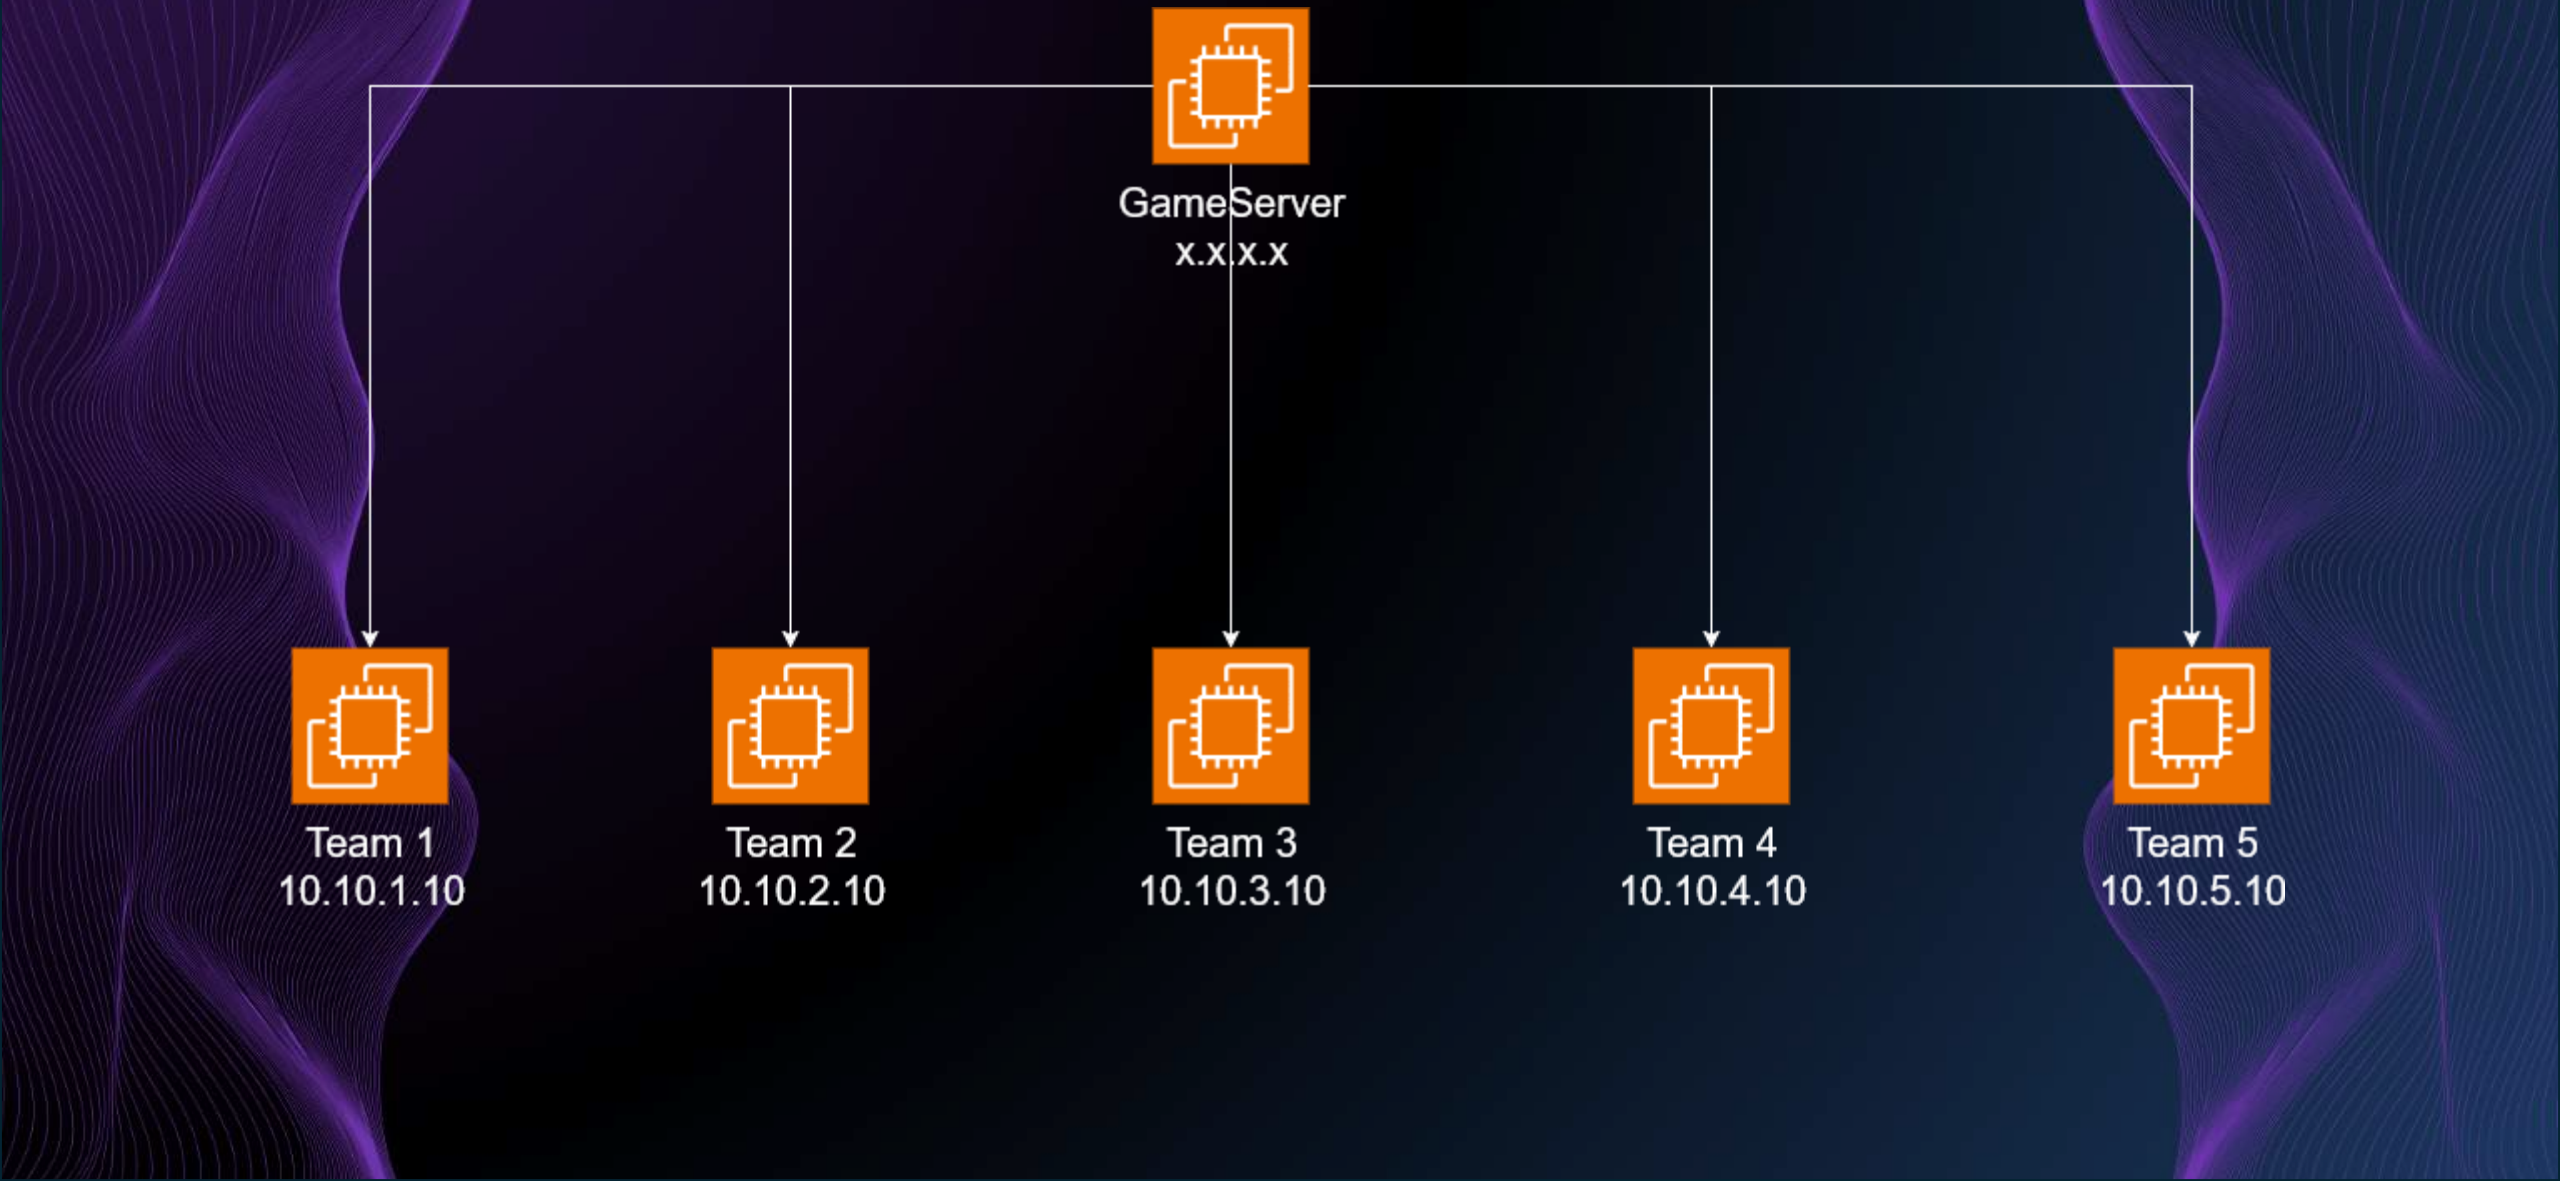

Team 1 Machine

Flag Submission:

- nc gameserver 6666

Only flags submitted through your team’s machine will count towards your score.

Attack & Defence

Attack & Defence

Tick 1

Team 1 Machine: BOH25_sdyhfksadfshdfsdf

Team 2 Machine: BOH25_dfwertggdsadfdsf

Team 3 Machine: BOH25_opkoindbiuwqicdf

Team 4 Machine: BOH25_qeworiueqhoncdifd

Team 5 Machine: BOH25_qweiouwhnmioedf

Attack & Defence

Tick 2

Team 1 Machine: BOH25_flagflagflagflag

Team 2 Machine: BOH25_fakefakefake

Team 3 Machine: BOH25_heeheeheeheehee

Team 4 Machine: BOH25_huehuehuehuehue

Team 5 Machine: BOH25_hahaahahahahah

Attack & Defence

Tick 3

Team 1 Machine: BOH25_fsecss_boh25

Team 2 Machine: BOH25_hohohohohoho

Team 3 Machine: BOH25_these_r_fake

Team 4 Machine: BOH25_pls_dont_use_these

Team 5 Machine: BOH25_aslkdfhjbsadbsdkjf

Attack & Defence
